**GLOBAL NOTES, METHODOLOGY AND SPECIFIC
DISCLOSURES REGARDING THE DEBTORS' SCHEDULES OF
ASSETS AND LIABILITIES AND STATEMENTS OF FINANCIAL AFFAIRS**

Introduction

Fleetwood Acquisition Corp. and its chapter 11 affiliates, the debtors and debtors in possession (the “Debtors”) in the above-captioned chapter 11 cases (the “Cases”) submit their Schedules of Assets and Liabilities (the “Schedules”) and Statements of Financial Affairs (the “Statements”, and together with the Schedules, the “Schedules and Statements”) pursuant to section 521 of title 11 of the United States Code (the “Bankruptcy Code”) and Rule 1007 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”).

These Global Notes, Methodology, and Specific Disclosures Regarding the Debtors’ Schedules of Assets and Liabilities and Statements of Financial Affairs (the “Global Notes”) pertain to, are incorporated by reference in, and comprise an integral part of the Schedules and Statements. The Global Notes should be referred to, considered, and reviewed in connection with any review of the Schedules and Statements.

In preparing the Schedules and Statements, the Debtors relied upon information derived from its books and records that were available at the time of such preparation. Although the Debtors have made reasonable efforts to ensure the accuracy and completeness of such financial information, inadvertent errors or omissions, as well as the discovery of conflicting, revised, or subsequent information, may cause a material change to the Schedules and Statements. Accordingly, the Debtors reserve all of their rights to amend, supplement, or otherwise modify the Schedules and Statements as is necessary and appropriate. Notwithstanding the foregoing, the Debtors shall not be required to update the Schedules and Statements.

The Debtors, their officers, employees, agents and attorneys do not guarantee or warrant the accuracy or completeness of the data that is provided herein and shall not be liable for any loss or injury arising out of or caused in whole or in part by the acts, omissions, whether

negligent or otherwise, in procuring, compiling, collecting, interpreting, reporting, communicating or delivering the information contained herein. Except as expressly required by the Bankruptcy Code, the Debtors and their officers, employees, agents and attorneys expressly do not undertake any obligation to update, modify revise or re-categorize the information provided herein or to notify any third party should the information be updated, modified, revised or re-categorized. The Debtors, on behalf of themselves, their officers, employees, agents and advisors disclaim any liability to any third party arising out of or related to the information contained in the Schedules and Statements and reserve all rights with respect thereto.

The Schedules and Statements have been signed by Sean McNeal, the Debtors' Chief Financial Officer. In reviewing and signing the Schedules and Statements, Mr. McNeal relied upon the efforts, statements and representations of the Debtors' other personnel and professionals. Mr. McNeal has not (and could not have) personally verified the accuracy of each such statement and representation, including, for example, statements and representations concerning amounts owed to creditors.

Global Notes and Overview of Methodology

1. Reservation of Rights. Reasonable best efforts have been made to prepare and file complete and accurate Schedules and Statements; however, inadvertent errors or omissions may exist. The Debtors reserve all rights to amend or supplement the Schedules and Statements from time to time, in all respects, as may be necessary or appropriate, including, without limitation, the right to amend the Schedules and Statements with respect to claim ("Claim") description, or designation; dispute or otherwise assert offsets or defenses to any Claim reflected in the Schedules and Statements as to amount, liability, priority, status, or classification; subsequently designate any Claim as "disputed," "contingent," or "unliquidated;" or object to the extent, validity, enforceability, priority, or avoidability of any Claim. Any failure to designate a Claim in the Schedules and Statements as "disputed," "contingent," or "unliquidated" does not constitute an admission by the Debtor that such Claim or amount is not "disputed," "contingent," or "unliquidated." Furthermore, nothing contained in the Schedules and Statements shall constitute a waiver of rights with respect to the Debtors' chapter 11 cases, including, without limitation, issues involving Claims, setoff, recoupment, substantive consolidation, defenses, equitable subordination, recharacterization, and/or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code and any other relevant non-bankruptcy laws to recover assets or avoid transfers. Any specific reservation of rights contained elsewhere in the Global Notes does not limit in any respect the general reservation of rights contained in this paragraph.

The listing in the Schedules or Statements (including, without limitation, Schedule A/B, Schedule D, Schedule E/F, Statement 3, or Statement 4) by the Debtors is a statement of what appears in the Debtors' books and records and does not reflect any admission or conclusion of the Debtors regarding whether such amount would be allowed as a Claim or how such obligations may be classified and/or characterized in a plan of reorganization or by the Bankruptcy Court. The Debtors reserve all rights with respect to such obligations.

2. Description of Case and "as of" Information Date. On November 4, 2019 (the "Petition Date"), the Debtors each filed a voluntary petition for relief under chapter 11 of the

Bankruptcy Code. The Debtors are operating their businesses and managing their property as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code.

The asset information provided herein, except as otherwise noted, represents the asset and liability data of the applicable Debtor as of November 4, 2019. In some instances, the Debtors have used estimates or pro-rated amounts where actual data as of the aforementioned date was not available. The Debtors have made a reasonable effort to allocate liabilities between the pre- and post-petition periods based on the information and research that was conducted in connection with the preparation of the Schedules and Statements. As additional information becomes available and further research is conducted, the Debtors may modify the allocation of liabilities between the pre- and post-petition periods and amend the Schedules and Statements accordingly.

3. Basis of Presentation. The Schedules and Statements reflect the assets and liabilities of the applicable Debtor. For financial reporting purposes, these Schedules and Statements do not purport to represent financial statements prepared in accordance with Generally Accepted Accounting Principles (“GAAP”), nor are they intended to reconcile the financial statements previously distributed to lenders, major creditors or various equity holders on an intermittent basis. Additionally, the Schedules and Statements contain unaudited information that is subject to further review and potential adjustment. It should also be noted that the Debtors use a cash management system through which the Debtors pay substantially all liabilities and expenses. The Debtors have used their best efforts and consistent methodology, as discussed with the U.S. Trustee during the Initial Debtor Interview, to segment any cash movements for reporting purposes; however it is possible that material misstatements are contained within the Schedules and Statements.

4. Net Book Value of Assets. It would be prohibitively expensive, unduly burdensome, and an inefficient use of estate assets for the Debtors to obtain current market valuations for all of their assets. Accordingly, unless otherwise indicated, the Debtors’ Schedules and Statements reflect net book values as of November 4, 2019, in the Debtors’ books and records. Furthermore, as applicable, assets that have fully depreciated or were expensed for accounting purposes do not appear in the Schedules and Statements as they have no net book value. The Debtors reserve the right to amend or adjust the value of each asset or liability set forth herein.

5. Reclassification. Notwithstanding the Debtors’ reasonable best efforts to properly characterize, classify, categorize or designate certain Claims, assets, executory contracts, unexpired leases and other items reported in the Schedules and Statements, the Debtor may, nevertheless, have improperly characterized, classified, categorized, designated, or omitted certain items due to the complexity and size of the Debtors’ businesses. Accordingly, the Debtors reserve all rights to recharacterize, reclassify, recategorize, redesignate, add or delete items reported in the Schedules and Statements at a later time as is necessary or appropriate as additional information becomes available, including, without limitation, whether contracts or leases listed herein were deemed executory or unexpired as of the Petition Date and remain executory and unexpired postpetition.

6. Real Property and Personal Property–Leased. In the ordinary course of their businesses, the Debtors lease real property and various articles of personal property, including fixtures and equipment, from certain third-party lessors. The Debtors has made reasonable efforts to list all such leases in the Schedules and Statements. The Debtors have made reasonable efforts to include lease payments on Schedule D (secured debt) to the extent applicable and to the extent the lessor filed a UCC-1. However, nothing in the Schedules or Statements is or shall be construed as an admission or determination as to the legal status of any lease (including whether to assume and assign or reject such lease or whether it is a true lease or a financing arrangement), and the Debtors reserve all of its rights with respect to all such issues.

7. Excluded Assets and Liabilities. The liabilities listed on the Schedules do not reflect any analysis of Claims under section 503(b)(9) of the Bankruptcy Code. Accordingly, the Debtors reserve all rights to dispute or challenge the validity of any asserted Claims under section 503(b)(9) of the Bankruptcy Code or the characterization of the structure of any such transaction or any document or instrument related to any creditor's Claim. The Debtors also have excluded rejection damage Claims of counterparties to executory contracts and unexpired leases that may be rejected, to the extent such damage Claims exist. In addition, certain immaterial assets and liabilities may have been excluded.

8. Intellectual Property Rights. Exclusion of any intellectual property shall not be construed as an admission that such intellectual property rights have been abandoned, terminated, assigned, expired by their terms, or otherwise transferred pursuant to a sale, acquisition, or other transaction. Conversely, inclusion of certain intellectual property shall not be construed to be an admission that such intellectual property rights have not been abandoned, terminated, assigned, expired by its terms, or otherwise transferred pursuant to a sale, acquisition, or other transaction. The Debtors reserve all rights with respect to the legal status of any and all intellectual property rights.

9. Executory Contracts and Unexpired Leases. The Debtors' executory contracts and unexpired leases have been set forth in Schedule G. The Debtors reserve all rights with respect to the named parties of any and all executory contracts, including the right to amend Schedule G. Moreover, the Debtors have not necessarily set forth executory contracts and unexpired leases as assets in the Schedules and Statements, even though these contracts and leases may have some value to the Debtors' estates. The Debtors' rejection of executory contracts and unexpired leases may result in the assertion of rejection damage claims; the Schedules and Statements do not reflect any claims for rejection damages. The Debtors reserve the right to make any arguments and objections with respect to the assertion of any such claims.

10. Materialman's/Mechanic's Liens. The assets listed in the Schedules and Statements are presented without consideration of any materialman's or mechanic's liens.

11. Classifications. Listing a Claim or contract on (a) Schedule D as "secured," (b) Schedule E/F Part 1 as "priority," (c) Schedule E/F Part 2 as "unsecured," or (d) on Schedule G as "executory" or "unexpired," does not constitute an admission by the Debtors of the legal rights of the Claimant or a waiver of the Debtors' rights to recharacterize or reclassify such Claims or contracts or to setoff of such Claims.

12. Claims Description. Schedules D and E/F permit the Debtors to designate a Claim as “disputed,” “contingent,” and/or “unliquidated.” Any failure to designate a Claim on the Debtors’ Schedules and Statements as “disputed,” “contingent,” or “unliquidated” does not constitute an admission by that Debtor that such amount is not “disputed,” “contingent,” or “unliquidated,” or that such Claim is not subject to objection. The Debtors reserve all rights to dispute, or assert offsets or defenses to, any Claim reflected on each Debtor’s respective Schedules and Statements on any grounds, including liability or classification. Additionally, the Debtors expressly reserve all rights to subsequently designate such Claims as “disputed,” “contingent,” or “unliquidated.” Moreover, listing a Claim does not constitute an admission of liability by the Debtors.

13. Causes of Action. Despite reasonable best efforts to identify all known assets, the Debtors may not have listed all causes of action or potential causes of action against third-parties as assets in the Schedules and Statements, including, without limitation, causes of actions arising under intellectual property law and/or the provisions of chapter 5 of the Bankruptcy Code and any other relevant non-bankruptcy laws to recover assets or avoid transfers. The Debtors reserve all rights with respect to any cause of action (including avoidance actions), controversy, right of setoff, cross-Claim, counter-Claim, or recoupment and any Claim on contracts or for breaches of duties imposed by law or in equity, demand, right, action, lien, indemnity, guaranty, suit, obligation, liability, damage, judgment, account, defense, power, privilege, license, and franchise of any kind or character whatsoever, known, unknown, fixed or contingent, matured or unmatured, suspected or unsuspected, liquidated or unliquidated, disputed or undisputed, secured or unsecured, assertable directly or derivatively, whether arising before, on, or after the Petition Date, in contract or in tort, in law, or in equity, or pursuant to any other theory of law (collectively, “Causes of Action”) it may have, and neither these Global Notes nor the Schedules and Statements shall be deemed a waiver of any Claims or Causes of Action or in any way prejudice or impair the assertion of such Claims or Causes of Action.

14. Summary of Significant Reporting Policies. Summary of Significant Reporting Policies. The following is a summary of significant reporting policies:

- a) Undetermined Amounts. The description of an amount as “unknown,” “TBD” or “undetermined” is not intended to reflect upon the materiality of such amount.
- b) Totals. All totals that are included in the Schedules and Statements represent totals of all known amounts. To the extent there are unknown or undetermined amounts, the actual total may be different than the listed total.
- c) Paid Claims. The Debtors were authorized (but not directed) to pay certain outstanding prepetition Claims pursuant to various orders entered by the Bankruptcy Court. Accordingly, certain outstanding liabilities may have been reduced by post-petition payments made on account of prepetition liabilities. To the extent the Debtors pay any of the Claims listed in the Schedules and Statements pursuant to any orders entered by the Bankruptcy Court, the Debtor reserves all of its rights to amend or supplement the Schedules and Statements or take other action as is necessary or appropriate to avoid overpayment for any such liabilities.

- d) Liens. Property and equipment listed in the Schedules and Statements are presented without consideration of any liens that may attach (or have attached) to such property and equipment.

15. Estimates and Assumptions. Because of the timing of the filing, management was required to make certain estimates and assumptions that affected the reported amounts of these assets and liabilities. Actual results could differ from those estimates, perhaps materially. The Debtors reserve all rights to amend the reported amounts of assets and liabilities to reflect changes in those estimates or assumptions.

16. Currency. Unless otherwise indicated, all amounts are reflected in U.S. dollars.

17. Setoffs. The Debtors incur certain offsets and other similar rights during the ordinary course of business. Offsets in the ordinary course can result from various items, including, without limitation, pricing discrepancies, returns, refunds, warranties, debit memos, credits, and other disputes between the Debtor and its suppliers and/or customers. These offsets and other similar rights are consistent with the ordinary course of business in the Debtors' industry and are not tracked separately. Therefore, although such offsets and other similar rights may have been accounted for when certain amounts were included in the Schedules, offsets are not independently accounted for, and as such, are or may be excluded from the Debtors' Schedules and Statements.

18. Global Notes Control. In the event that the Schedules and Statements differ from the foregoing Global Notes, the Global Notes shall control.

Specific Disclosures with Respect to the Debtors' Schedules

Schedule A/B. All values set forth in Schedule A/B reflect the book value of the Debtors' assets as of November 4, 2019 unless otherwise noted below.

Schedule A/B3. Cash values held in financial accounts are listed on Schedule A/B3 as of November 4, 2019. Details with respect to the Debtors' cash management system and bank accounts are provided in the *Debtors' Motion for Entry of Interim and Final Orders (I) Authorizing Continued Use of Cash Management System, (II) Authorizing Continued Use of Existing Business Forms, (III) Authorizing the Continuation of Intercompany Transactions, (IV) Granting Administrative Priority Status to Post-Petition Intercompany Transactions, (V) Authorizing Use of Prepetition Bank Accounts and Certain Payment Methods, and (VI) Temporarily Suspending the Requirements of 11 U.S.C. § 345(B)* [D.I. 5].

Schedule A/B7. The Debtors have listed, to the best of its ability, all known deposits. Retainer payments to restructuring professionals are reflected in response to Statement 11. It is possible the Debtors have additional deposits in the form of retainer deposits with lawyers or other professionals not listed here. Other such retainer amounts, if any, are believed to be immaterial.

Schedule A/B19, A/B20, and A/B21. Inventory, finished goods and works held by the Debtors consist of customized retail fixtures, furniture, and displays at various stages of

completion and are stated at the average of cost, determined on a first-in, first-out basis, or market (net realizable value).

Schedule A/B25. The amount listed represents estimated receipts of inventory by the applicable Debtor in the 20 days prior to the Petition Date based on the vendor invoice date. Nothing on Schedule A/B 25, however, is intended or shall be deemed to be a determination, or impair, prejudice, waive or otherwise affect the Debtors' rights, with respect to any asserted Claims under section 503(b)(9) of the Bankruptcy Code, and the Debtors reserves all of their rights to dispute or challenge the validity of any such Claims.

Schedules A/B40, A/B41 and A/B50. The values of the furniture, computers, machinery and equipment have not been adjusted to appraised values and are reflected at net book values. Actual realizable values may vary significant relative to net book values as of the Petition Date.

Schedule A/B60 and A/B61. Patents, copyrights, trademarks, trade secrets, and Internet domain names and websites listed in Schedules A/B60 and A/B61 have undetermined individual values on account of the fact that the fair market value of such ownership is dependent on numerous variables and factors and may differ significantly from their net book value. Nothing herein or in the Schedules and Statements shall be construed as an admission or acknowledgment by the Debtors that any particular intellectual property is not transferable either pursuant to its terms or pursuant to provisions of the Bankruptcy Code or has no market value, and the Debtor reserves all rights with respect to any such issues.

Schedule A/B73. The Debtors maintain certain insurance policies. Additional information regarding the insurance policies listed on Schedule A/B73 is available in the *Debtors' Motion for Entry of Interim and Final Orders (I) Authorizing Continuation of, and Payment of Prepetition Obligations Incurred in the Ordinary Course of Business in Connection with Various Insurance Policies, and (II) Authorizing Banks to Honor and Process Checks and Electronic Transfer Request Related Thereto* [D.I. 9].

Schedule A/B74 and A/B75. In the ordinary course of their businesses, the Debtors may have accrued, or may subsequently accrue, certain rights to counter-Claims, setoffs, credits, refunds, or potential warranty Claims against their suppliers. Additionally, the Debtors may be a party to pending litigation in which the Debtors have asserted, or may assert, Claims as a plaintiff or counter-Claims as a defendant. Because such Claims are unknown to the Debtors and not quantifiable as of the Petition Date, they are not listed in the Schedules. The Debtors' failure to list any cause of action, claim, or right of any nature is not an admission that such cause of action, claim, or right does not exist, and should not be construed as a waiver of such cause of action, claim, or right.

Schedule D. The Claims listed on Schedule D arose or were incurred on various dates; a determination of the date upon which each Claim arose or was incurred would be unduly burdensome and cost prohibitive. Accordingly, not all such dates are included for each Claim. All Claims listed on Schedule D, however, appear to have arisen or been incurred before the Petition Date.

Reference to the applicable related documents is necessary for a complete description of the collateral and the nature, extent, and priority of any asserted liens. Nothing in the Global Notes or the Schedules and Statements shall be deemed a modification or interpretation of the terms of such related documents. Except as specifically stated on Schedule D, real property lessors, utility companies, and other parties that may hold security deposits have not been listed on Schedule D. The Debtors reserve all rights to amend Schedule D to the extent that the Debtors determine that any Claims associated with such agreements should be reported on Schedule D. Nothing herein shall be construed as an admission by the Debtors of the legal rights of the Claimant or a waiver of the Debtors' rights to recharacterize or reclassify such Claim or contract. Moreover, the Debtors have not included on Schedule D parties that may believe its Claims are secured through setoff rights or inchoate statutory lien rights.

Schedule E/F, Part 1. The listing of any claim on Schedule E/F does not constitute an admission by the Debtors that such claim is entitled to priority treatment under 11 U.S.C. § 507. The Debtors reserves their rights to dispute the priority status of any claim on any basis.

Schedule E/F, Part 2. The Debtors has used reasonable best efforts to report all general unsecured Claims against the Debtors on Schedule E/F, Part 2 based upon the Debtors' books and records as of the Petition Date.

The Claims listed on Schedule E/F, Part 2 arose or were incurred on various dates. In certain instances, the date on which a Claim arose is an open issue of fact. Although reasonable efforts have been made to identify the date of incurrence of each Claim, the Debtors' books and records do not contain clear dates for certain Claims and determining the date upon which each Claim on Schedule E/F, Part 2 was incurred or arose would be unduly burdensome and cost prohibitive. Therefore, the Debtors may not list a date for each Claim listed on Schedule E/F, Part 2.

Schedule E/F, Part 2 reflects the prepetition amounts owing to counterparties to executory contracts and unexpired leases, to the extent known. Such prepetition amounts, however, may be paid in connection with the assumption or assumption and assignment of an executory contract or unexpired lease. Additionally, Schedule E/F, Part 2 does not include potential rejection damage Claims, if any, of the counterparties to executory contracts and unexpired leases that may be rejected.

Schedule G. Although the Debtors' existing books, records and financial systems have been relied upon to identify and schedule executory contracts and diligent efforts have been made to ensure the accuracy of the Debtor's Schedule G, inadvertent errors, omissions or over-inclusions may have occurred. Certain information, such as the contact information of the counter-party, may not be included where such information could not be obtained using the Debtors' reasonable efforts. Listing a contract or agreement on Schedule G does not constitute an admission that such contract or agreement is an executory contract or unexpired lease or that such contract or agreement was in effect on the Petition Date or is valid or enforceable. The Debtors hereby reserve all rights to dispute the validity, status or enforceability of any contracts, agreements or leases set forth on Schedule G and to amend or supplement Schedule G as necessary. Certain of the leases and contracts listed on Schedule G may contain certain renewal options, guarantees of payment, indemnifications, options to purchase, rights of first refusal and

other miscellaneous rights. Such rights, powers, duties and obligations are not set forth separately on Schedule G.

Certain confidentiality and non-disclosure agreements may not be listed on Schedule G. The Debtor reserves all of its rights with respect to such agreements.

Certain of the contracts and agreements listed on Schedule G may consist of several parts, including purchase orders, amendments, restatements, waivers, letters and other documents that may not be listed on Schedule G or that may be listed as a single entry. The Debtors expressly reserve the rights to challenge whether such related materials constitute an executory contract, a single contract or agreement or multiple, severable or separate contracts.

The contracts, agreements, and leases listed on Schedule G may have expired or may have been modified, amended or supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letters, memoranda and other documents, instruments, and agreements that may not be listed therein despite the Debtors' use of reasonable efforts to identify such documents. Further, unless otherwise specified on Schedule G, each executory contract or unexpired lease listed thereon shall include all exhibits, schedules, riders, modifications, declarations, amendments, supplements, attachments, restatements, or other agreements made directly or indirectly by any agreement, instrument, or other document that in any manner affects such executory contract or unexpired lease, without respect to whether such agreement, instrument, or other document is listed thereon.

The Debtors reserves all rights, Claims and causes of action with respect to the contracts on Schedule G, including the right to dispute or challenge the characterization of the structure of any transaction or any document or instrument related to a creditor's Claim.

Omission of a contract or agreement from Schedule G does not constitute an admission that such omitted contract or agreement is not an executory contract or unexpired lease. The Debtors' rights under the Bankruptcy Code with respect to any such omitted contracts or agreements are not impaired by the omission. Schedule G may be amended at any time to add any omitted contract, agreement or lease.

The listing of any contract on Schedule G does not constitute an admission by the Debtors as to the validity of any such contract or that such contract is an executory contract or unexpired lease. The Debtors reserve all rights to dispute the effectiveness of any such contract listed on Schedule G or to amend Schedule G at any time to remove any contract.

Specific Disclosures with Respect to the Debtors' Statements

Statement 1. In the normal course of business, the Debtors have reported income, and all amounts are reflected as of November 4, 2019.

Statement 3. Statement 3 includes any disbursement or other transfer made by the applicable Debtor within 90 days before the Petition Date except for those made to insiders (which payments appear in response to Statement 4), employees, and bankruptcy professionals (which payments appear in response to Statement 11). All disbursements listed on Statement 3 are made through the Debtors' cash management system.

Statement 4. The Debtors have included all consulting and payroll distributions and aggregate travel, entertainment, and other expense reimbursements, aggregated by date, made over the twelve months preceding the Petition Date to any individual that may be considered an “insider.” Solely for purposes of preparing the Schedules and Statements, the Debtor included the following for purposes of defining “insiders:” (a) directors; (b) officers; (c) other persons who exercised control over the Debtor’s operations; (d) equity holders holding in excess of 10% of the voting securities of any Debtor entity of whom the Debtors were aware; and (e) relatives of the foregoing. The Debtors do not believe that all such Persons in these categories are in fact insiders with control over the Debtor. Persons listed as “insiders” have been included for informational purposes only and including them in the Schedules and Statements shall not constitute an admission that those persons are insiders for purposes of section 101(31) of the Bankruptcy Code or otherwise. Moreover, the Debtors do not take any position with respect to: (a) such person’s influence over the control of the Debtors; (b) the management responsibilities or functions of such individual; (c) the decision-making or corporate authority of such individual; or (d) whether the Debtors or such individual could successfully argue that he or she is not an “insider” under applicable law, including the federal securities laws, or with respect to any theories of liability or for any other purpose.

Statement 30. Unless otherwise indicated in a Debtor’s specific response to Statement 30, the Debtors have included a comprehensive response to Statement 30 in Statement 4.
